LOT 1169

A Chronosport chronograph steel cased gentleman's wristwatch with unsigned jewelled Landeron 248 caliber movement, the signed black gloss dial with luminous Arabic and baton hour markers and two subsidiary dials, the case with rotating bezel, case diameter 3.8cm, on a brown leather strap.

Estimate: £150 - £200

Condition Report

The watch is in generally good condition with typical light surface scratches and wear to case. Glass with scratches but no cracks. The dial is in good order.

The movement winds manually and adjusts smoothly and is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. The centre seconds is also working and sub dial moving on as it should but the buttons are not working and feel very stiff, so chrono features not working.
