

Objects of Virtu / Thursday, 16th March 2023 / Lot 2497

## LOT 2497

A 19th century white metal and hardstone specimen scent bottle, probably Scottish, the screw-off lid and sectional sides inset with bloodstone, agate and other hardstones, fitted with a suspension ring and engraved with foliage, height 6cm.

Estimate: £80 - £120

## Condition Report

2497. Two minute chips to the grey striated hardstone on one side only, otherwise overall in very good condition with minor age related wear.
