

Collectors' Items, Works of Art and Light Fittings / Thursday, 16th March 2023 / Lot 2637

LOT 2637

A late 19th century Continental leather and papier-mâché needlework case with a painted hinge lid enclosing a fitted interior containing sewing implements, width 13.5cm.

Estimate: £70 - £100

Condition Report

2637. Age related cracks to leather. The base has a new covering. The interior is later and in good condition. Age related wear consistent with use. The painted top is also probably a later addition.
