Condition Report

Approximate diamond grading ♦ principal diamond J/K colour, clarity SI1, side stones of similar grading (diamond gradings are estimations, limited by the setting and for guidance only).

There is a small cluster of chips to one area of the girdle on one side, currently noticeable without magnification. There is also another area of the girdle which looks to have a small surface reaching inclusion, though perhaps a result of impact, noticeable under magnification. Typical light scratching/wear to the setting/shank.
