

Collectors' Items, Works of Art and Light Fittings / Thursday, 16th March 2023 / Lot 2651

### LOT 2651

A late 19th century brass centrepiece of goblet form, the rim mounted with an Austrian cold painted bronze kingfisher above a glazed bowl containing three polychrome painted fish, height 17cm (bent stem).

Estimate: £80 - £120

---

### Condition Report

2651. The kingfisher is a little loose. The goblet leans to one side and needs straightening. The goblet may have once been silver plated but all has long since worn off. Tip of kingfisher's beak is bent. General age related wear.
