

Objects of Virtu / Thursday, 16th March 2023 / Lot 2458

### LOT 2458

A Victorian silver mounted red glass scent bottle, London 1883, the flattened globular body decorated in gilt with blossoming prunus branch and a bee, height 7.5cm, cased.

Estimate: £200 - £300

### Condition Report

2548. Lacking one small seaming pin to the silver collar and the cork inner to the hinged cap. Light age related surface scratches consistent with age, but nothing that affects the gilt decoration. Age related wear to case, but fully functional.
