LOT 2068

A George III Gothic mahogany side chair, in the manner of Gillows, the back finely carved with foliate arches, raised on cluster column legs, height 85cm, width 50cm (some repairs). Provenance: the property of Donald Church.

Estimate: £60 - £100

Condition Report

2068. The chair seems structurally sound, albeit with some repairs to rear left leg. There are also repairs to top left corner of back and the left section of carved arch top is a replacement. The holes to the seat rail appear to be overstuffing tack holes.
