### LOT 2010

A George III mahogany linen press with tulipwood crossbanding and inlaid fan spandrels, the swan neck pediment above two doors enclosing slides, height 230cm, width 133cm, depth 62cm. Provenance: the property of Michael Godfrey.

Estimate: £400 - £600

---

### Condition Report

2010. Thin crack across right hand swan neck, some minor areas of repair to frieze and moulding. Some overall areas of minor damage to veneers. Slight warp to right hand door and panel. The top right drawer has been altered to a dummy drawer and the interior has a recess in to the top of the drawer for hanging clothes. Some of the trays joints are a little loose. Locks present in drawers and latch present on doors, but due to the movement of the right door and possible shrinkage, the lock does not locate on to the latch.
