LOT 2015

A Regency rosewood open bookcase with a white marble top, the concealed frieze drawer with carved wreath mounts above two adjustable shelves, height 91cm, width 91.5cm, depth 31cm.

Provenance: the property of Michael Godfrey.

Estimate: £250 - £350

Condition Report

2015. This bookcase would have originally had a pair of doors as there are marks on both sides where hinges would have fitted. There is an area of repaired veneer to one side of plinth, but otherwise condition is reasonably good.
