

Furniture / Thursday, 16th March 2023 / Lot 2190

### LOT 2190

A George II provincial walnut and oak chest, the later veneered top above an arrangement of drawers with pollard oak crossbanding and borders of feather banding, height 92cm, width 97cm, depth 49cm (alterations).

Estimate: £200 - £300

---

### Condition Report

2190. The top has been re-veneered at a later date and also has a thin crack running across the veneer. There are a few areas of replaced crossbanding to the drawer fronts. Key escutcheons appear to have been replaced and there are overall minor bumps and marks throughout.
