Condition Report

122. R2349 Ark Royal - locomotive good, one plastic sleeve missing from end packing.

R2646 - very light scuff to one side of body, good overall condition.

R2747 - good overall condition.

R2235 - good overall condition, but does have an impression of the number from the polystyrene packing.

R2517 - good overall condition.

R2420 - damage to one cab, as mentioned in description, otherwise good.

We have not tested any of these locomotives. The boxes and sleeves do have creases and scuffs as mentioned in the description.
