LOT 2005

A William IV rosewood circular tip-top breakfast table, the tulip cusp stem on a triform base with reeded feet, height 72cm, diameter 122cm. Provenance: the property of Michael Godfrey.

Estimate: £200 - £400

Condition Report

2005. Professional restoration (4cm long) to the moulding on the central column. Age related splits and minor losses to base. The top is flat and has no splits to the surface, just age related marks.
