LOT 1070

A Chinese famille rose porcelain jardinière, late 19th century, of tapered cylindrical form, the exterior painted with flowers and leafy stems, height 36cm. Provenance: the property of Michael Godfrey.

Estimate: £400 - £600

Condition Report

1070. Generally good condition with no significant damage or repairs. Good vibrant enamels. Typical surface scratches and wear to glaze, more pronounced on the rim. The drainage hole to the base has been plugged, presumably so water did not escape. The plug looks easy to remove.
