LOT 2025

A 19th century Continental giltwood table base with a specimen marble circular top, the triform base modelled with dragon-like beasts and scroll feet, height 65cm, diameter 71cm (some faults).

Estimate: £800 - £1,200

Condition Report

2025. The table base has a carved wooden structure with a lot of the surface ornamentation being gesso and some papier-mâché. There is some overall chips and loss to surface of base and it appears to have been cut-down in height. The platform that the marble top sits on is later fitted. The top has some overall surface marks and minor scratches.

Provenance - consigned by a local vendor without any historic provenance.
