### LOT 2125

An early 20th century Empire style ebonized and giltwood console table, the black marble top above a pair of carved giltwood winged leopard head supports, the back fitted with a mirror, height 85cm, width 97cm, depth 49cm (break to marble).

Estimate: £200 - £400

---

### Condition Report

2125. The marble top is broken and in two pieces, with chips along the break. The two supports look earlier than the rest of the table and are well carved. they have some surface chips and minor surface cracks to the gesso. Otherwise the rest of the table has some typical scuffs and marks.

Provenance - consigned from a local deceased estate.
