### LOT 616

A pair of gold and amethyst pendant earrings, each mounted with the principal oval amethyst to the drop, with screw fittings, detailed '15ct', weight 7.2g, length 5.2cm.

Estimate: £180 - £220

### Condition Report

The screw fittings/amethyst surmount are matched to the drops, noticeable by the colour difference in the gold.

A few very minor surface scratches to the amethysts but only really noticeable under a 10x loupe.

One large amethyst has some noticeable inclusions, the other large amethyst has some noticeable colour zoning.

Overall in generally good condition.
