A London, Chatham and Dover Railway (L.C.D.R.) base metal cased keywind open-faced gentleman's pocket watch, the gilt movement detailed 'Waltham Mass 5102463', the enamelled dial with black Roman hour numerals, the case back detailed 'L.C.D.R' above 'P.W' and '137', case diameter 5.7cm (hairline to dial).

Estimate: £60 - £100

Condition Report

1212. Case in generally good condition with typical surface scratches and wear. Hinged front and case backs close tightly. Hairline crack to dial from centre to between XII and I. The movement winds smoothly and it is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. There is no hand adjustment on this watch, the hands have to be adjusted manually which is quite straight forward.
