LOT 668

An Edwardian 18ct gold and bloodstone oval signet ring, Birmingham 1903, weight 5.5g, ring size approx J1/2.

Estimate: £80 - £120

Condition Report

In generally good condition.

The bloodstone is in good condition, with the lightest of wear. There is some very slight wear to the collet setting holding the bloodstone, but it is firmly held in place.

The shank has typical scratching/wear.

The ring has been resized in the past.

Some light rubbing to the hallmark.
