LOT 710

A gold and diamond ring, mounted with a row of five old mine cut diamonds with three pairs of diamond points at intervals, with scroll pierced sides, detailed '18', weight 3.5g, total diamond weight 1.90-2.00ct, ring size approx J, with a case.

Estimate: £2,000 - £3,000

Condition Report

There is some noticeable wear to the shank of the ring, uniform, but it has left a sharp inner edge to the back of the shank. Some wear to the sides of the setting.

A few of the claws are showing signs of wear. One end claw is lacking.

Diamond gradings - these are estimations, limited by the setting and for guidance only.

Colour approx. H-I

Clarity approx. VS

When viewed under a 10x loupe, one diamond directly next to the centre stone has a small chip to the surface towards the girdle, near a claw. Both end diamonds have one or two nicks/nibbles to the girdle.
