

Jewellery / Wednesday, 17th May 2023 / Lot 539

LOT 539

A gold, ruby, opal and diamond ring, mounted with a cushion cut ruby between two circular opals, each in a lozenge shaped setting, with four diamond points at intervals, detailed '18ct', ring size approx M1/2, and a gold, garnet and diamond three stone ring, detailed '18ct', ring size approx J1/2, total weight 4.4g.

Estimate: £120 - £180

Condition Report

Opal/ruby ring - resized in the past, obvious discoloration to the back of the shank, slight wear to one opal, weight 2.6g

Garnet/diamond ring - resized in the past, minor thinning to the back of the shank, weight 1.8g

Both rings have typical light scratching/wear to the shank/setting.

Both possibly date from the early 20th century.
