Estimate: £50 - £80

Condition Report

Coffee pot cover with crazing visible to underside.

The four cup saucers are each crazed and one of the can saucers is crazed.

One coffee cup is crazed and this is only really noticeable as the cup doesn't 'ring' when tapped.

One coffee can has a 1cm long horizontal scratch to the rust ground.

Otherwise each piece is in good condition overall with no cracks, chips or restoration.
