LOT 2012

A late 19th century Regency style mahogany framed bergère library armchair, height 94cm, width 58cm, depth 75cm. Provenance: from the principal contents of Stone House, Bolney, West Sussex.

Estimate: £120 - £180

Condition Report

2012. Lacking entire bergère seat, this has been replaced with a drop-in base. Otherwise in overall good condition. All cushions/upholstery are later replacements. Age related wear in places.
