LOT 2703

A mid-20th century Italian chromium plated and Venini crystal glass four-light chandelier of tiered crescent form, width 56cm, together with a large quantity of matching Venini glass drops.

Estimate: £80 - £120

Condition Report

2703. The majority of the drops do match that on the chandelier, but there is also a smaller quantity of longer drops of curved rectangular section.

The condition is generally quite good with only some very light oxidization to surface of chrome.
