LOT 2003

A mid-19th century gilt composition overmantel mirror, the frieze with a band of applied classical figures, 96cm x 135cm. Provenance: from the principal contents of Stone House, Bolney, West Sussex.

Estimate: £200 - £300

Condition Report

2003. Age related cracks to gesso decoration and small losses in places. Signs of old woodworm. Fairly heavy age related wear and some distressed areas to glass plate.
