

Jewellery / Wednesday, 12th July 2023 / Lot 513

### LOT 513

A gold, diamond and cultured pearl ring, the single cultured pearl mounted between cushion cut diamond four stone shoulders, unmarked, weight 4.6g, ring size approx H1/2, with a case.

Estimate: £180 - £220

---

### Condition Report

The width of the pearl at its widest point is 10.6mm. It is quite baroque in shape and is in a closed back setting so it is not possible to measure the depth accurately, the depth that is visible is approx. 7mm.
