LOT 553

A Kate Smith 18ct gold and diamond 'Halo' ring, mounted with circular cut diamonds, weight 7g, ring size approx N.

Estimate: £250 - £350

Condition Report

In generally good condition with typical light wear/scratching overall, however two diamonds may be lacking. The diamond layout/design is deliberately 'scattered', but the website where the ring is still available to buy direct from the designer, states that this design should be set with 14 diamonds, this ring has only 12 diamonds.
