LOT 664

A Bvlgari 18ct white gold and pink sapphire eternity ring, mounted with square cut pink sapphires, detailed 'Bvlgari 750 Made in Italy 52', weight 8.6g, ring size approx L1/2.

Estimate: £180 - £220

Condition Report

The ring has some general light scratching, with a few deeper scratches here and there, typical with use, largely visible when viewed under a 10x loupe. The rhodium plating has worn away particular on one side of the exterior, where it is showing through to a yellow colour of gold.

Otherwise in fairly good condition. The stones look to be in good condition, no noticeable chips or damage.
