

Silver and Plate / Wednesday, 12th July 2023 / Lot 318

LOT 318

A George V silver rectangular engine turned photograph frame with Bakelite easel back, London 1932 by British Metallising Co Ltd, height 33cm.

Estimate: £80 - £120

Condition Report

318. There is a missing circular rotating holding disc to the lower left corner which rotates to hold/release the back panel. This is why the tape is in place, as the back panel is now looser than it should be, it is not holding the frame together. Otherwise, typical surface scratches and wear. Width 23cm, height (as per catalogue description) 33cm, width of border 2.5cm.
