LOT 100

Joan Miro - Mur de la Lune, lithograph on BFK Rives wove paper, signed and editioned 208/300 in pencil, published by Maeght 1958, 31cm x 80.5cm, within a gilt composition frame.

Estimate: £1,400 - £2,200

Condition Report

100 - Some minor age toning to paper. Some fading. Paper unusually fibrous in places, particularly the top-right margin. This hints that it may have been previously cleaned. Minor creasing to the left hand edge in three different places, probably caused from being previously rolled. Paper has some undulations and minor buckles. Modern mount in okay condition. Frame in generally good condition. Unexamined out of the frame.
