

Jewellery / Wednesday, 12th July 2023 / Lot 809

### LOT 809

A single row necklace of coral beads on a gold and coral clasp, unmarked, length 70.5cm.

Estimate: £50 - £70

---

### Condition Report

Clasp in working order.

Some natural flaws to the surface of the coral beads, as to be expected.

We would recommend re-stringing as the coral beads are slightly loose, particularly to either side of the clasp.
