

Furniture / Thursday, 13th July 2023 / Lot 2145

### LOT 2145

A George III provincial oak cricket table, the circular top raised on three tapering block legs, height 64cm, diameter 65cm (some alterations to underside of top).

Estimate: £400 - £600

---

### Condition Report

2145. The top appears to be original with base, but has had later bars added to underside to secure to the base. The three plank top is not attached and the three planks are only secured by the later bars. The leg joints are a little loose and one leg has a minor vertical crack. On rail has some old woodworm and the base as a whole has a few minor bumps and wear to corners.
