

Wristwatches and Pocket Watches / Thursday, 20th July 2023 / Lot 1145

LOT 1145

An Art Deco Tavannes Watch Co silver cased keyless wind purse watch, the signed jewelled movement numbered '86702', the silvered square dial with black Arabic hour numerals and detailed 'Dunhill Chronometre Tavannes', the engine turned rectangular case with sprung hinged front doors, import mark Glasgow 1929, length 4.6cm.

Estimate: £250 - £350

Condition Report

1145. The silver case is in generally good condition with typical minor nicks to edges, surface scratches and wear. Very small dent to bottom edge by left-hand door. The spring hinged doors open smoothly. Hinged dial/movement is good.

Dial in good order with only minor marks visible under x10 magnification.

The movement winds and adjust smoothly but it does not run.

Good clear hallmarks to interior.

Please refer to the numerous images on our website which show all the mentioned condition issues. These images can be enlarged as required.
