Geneva Swiss', the signed silvered dial with gilt baton hour markers and centre seconds and detailed 'Rolex Precision', the case back interior numbered '10552', London 1960 by D. Shackman & Sons, case diameter 3.5cm, on a brown leather strap.

Estimate: £300 - £500

Condition Report

1060 - The watch winds and adjusts smoothly and is currently running, however please be aware we give no guarantees to working order or reliability of any clock or watch. The dial looks clean but the glass is cloudy and would need replacing, this is making the lettering on the dial look fuzzy, but this is not the case. Case with typical light surface scratches and wear and with a small dent to back.
