Condition Report

Neptun jugs - the slightly smaller example has a random single hair like trail of glass to the main body - a manufacturing issue - otherwise it is in good condition. The other example is in good condition with no issues. Tall vase with wavy rim - in good condition overall with no cracks, chips or restoration. There is an approx 10cm long horizontal single hair like blemish/firing fault to the main body near the foot just above the widest part.

Other vase - in good condition overall with no cracks, chips or restoration, some minor surface wear/scratches.
