

Glassware / Thursday, 3rd August 2023 / Lot 1876

LOT 1876

A pair of Kralik Applied Flower iridescent glass vases, circa 1900, of oval form with crimped rims, applied with pink thistle flowers on green stems and leaves against a pale golden martelé ground, height 13.8cm, together with two Kralik vases with applied green flowers, heights 11cm and 6cm, and a small group of other similar glassware with trailed decoration (minor faults). Provenance: from the collection of John and Poppy Stallebrass.

Estimate: £80 - £120

Condition Report

1876. The lowest bowl has been slightly ground down as has the pot porri bowl with the gilt metal cover. The tall vase is lacking some of the applied blue 'trailing' decoration. Otherwise, all other items are in good condition with very minor age related wear.
