### LOT 2011

An early Victorian yew and elm stick back Windsor armchair with shaped panel seat and crinoline stretcher, height 96cm, width 59cm, depth 55cm (later rear leg).

Estimate: £100 - £200

---

### Condition Report

2011. Generally in ok condition but having some minor damages and repairs. The bow armrest has a crack and the left upright is loosely attached to the seat. Later replaced rear leg which has resulted in visible damage to seat. Damage and repair to crinoline stretcher joint.
