

## LOT 2543

Francois André Clémencin - an early 20th century gilt patinated cast bronze figure of a young female dancer, the base bearing cast signature, raised on a turned rouge marble plinth, height 34cm.

Estimate: £250 - £350

---

## Condition Report

2543. Lacking a majority of the original gilded patina. Possibly something missing from right hand, but cannot be sure. Professionally repaired crack running through the marble base. General wear consistent with age and handling.
