LOT 2007

An 18th century provincial oak panel back settle with solid seat and block legs, height 117cm, width 116cm, depth 45cm (alterations and repairs).

Estimate: £100 - £200

Condition Report

2007. All four legs have been spliced about halfway up and have later ends and replaced stretchers. This has been done professionally and not tried to hide the join. Otherwise thin crack to seat and some other minor cracks particularly around a few joints.
