### LOT 2054

A set of eight early 20th century George III style mahogany pierced splat back dining chairs, comprising a pair of carvers, height 96cm, width 60cm, and six standards, together with a similar pair of dining chairs and a reproduction twin pillar dining table with two extra leaves, extended length 286cm, depth 123cm.

Estimate: £60 - £100

---

### Condition Report

2054. The chairs have undergone overall repairs to leg joints and back joints. One chair out of the set of eight has a badly broken leg and some others have had re-spliced sections of legs. The table is reasonably clean but is missing its bearers.
