A 9ct gold ring, mounted with an Edward VII sovereign 1907, weight 21.3g, ring size approx X.

Estimate: £400 - £500

Condition Report

Hallmark for London 1977.

There is some wear/thinning to the back of the shank, it is not perfectly round.

Some heavy rubbing to the engraved decoration to the top border surrounding the sovereign, also slightly to the textured decoration on the shoulders.

Otherwise typical scratching to the shank/setting.

Would benefit from a clean.
