

Silver and Plate / Wednesday, 9th August 2023 / Lot 377

LOT 377

A late Victorian Scottish silver oval eight-division toast rack with wire work divisions and central ring handle, raised on scroll legs, Edinburgh 1893 by James Crichton & Co, weight 198g, length 20cm.

Estimate: £100 - £150

Condition Report

377. One foot is fairly bent out of shape, the other three are a little bent but generally good, solder repairs to two feet at opposing ends. General wear consistent with age and use.
