LOT 112

Patrick Hayman - 'Nelson on the Quarter Deck', tempera with watercolour, signed recto, titled and dated 1960 to Portal Gallery label verso, 23.5cm x 17cm, within a gilt frame.

Estimate: £200 - £400

Condition Report

112 - The picture has not been examined out of the frame. Appears to be in very good condition. Perhaps there is a subdued appearance to the green paint pigments from light exposure but there is no staining or foxing visible. The paper has a slight wave from the use of water based paints but an intended consequence. The frame requires attention, the gilt is flaking and there are several areas of losses.
