LOT 3048

Two 19th century percussion pistols, each with turn-off barrel, barrel length 7cm, foliate engraved locks and wood grips, together with two 19th century brass and copper powder flasks (overall defects and losses).

Estimate: £60 - £100

Condition Report

3048. Pistols and flasks all need extensive work and generally not in working order. Shrinkage and losses to wooden grips around locks. Action on guns work to some degree though not without problem. One barrel miss-threaded and stuck fast, all trigger and guard miss-aligned. Flasks both have splits, evidence of re-solder, actions defective.
