LOT 2113

A late Victorian Aesthetic Movement walnut corner bookcase, the shelf back above four glazed doors, on ring turned legs, height 153cm, length 147cm, depth 110cm.

Estimate: £40 - £60

Condition Report

2113. General condition is pretty good but would have had a turned finial to the three corners of the gallery. The whole piece does dismantle into L shaped top section and separate glazed cabinets.
