LOT 792

A three row necklace of cultured pearls on a 9ct white gold and cultured pearl rectangular clasp, length of shortest strand 36.5cm.

Estimate: £60 - £90

Condition Report

The necklace is a choker style design.

Currently the pearls are quite dirty, a lot of dirt has built up particularly around the drill holes.

This is coming away when lightly scratched with a fingernail, it is likely with a clean that the majority will be removable.

One or two pearls are showing slight signs of peeling particular around the drill holes.

Possibly one or two of the pearls on the clasp are replacements, with evidence of glue.
