### LOT 541

A gold, platinum, ruby and diamond five stone ring, claw set with three cushion cut rubies alternating with two cushion cut diamonds, detailed 'Plat', fitted with sizing beads, weight 2.9g, ring size approx I.

Estimate: £400 - £600

---

### Condition Report

The rubies have abraded facet edges, particularly on the table. One side ruby has a chip to the corner of the table facet edge, plus nibbles to the girdle.

One diamond has a chip to the side of the table facet edge.

Claws are ok, some wear to the sides of the setting and shank. Some slight thinning to the shank.

The ring size is approx. I (not L), as per the description, though the sizing beads could be removed.

Diamond gradings are an estimation, limited by the setting and for guidance only:

Diamond weight approx. 0.35-0.40ct each.

Slight variation in colour = H-J

Clarity = SI1

Generally the diamonds are fairly bright stones.
