### Condition Report

1006. Generally good condition.

Automatic movement winds and adjusts smoothly, date rolls over as it should and it is currently working but please be aware we give no guarantees to working order or reliability of any clock or watch.

As can be seen in the images on our website, the dial has some dirt specks and spots.

Case and glass with typical light surface scratches, but no significant damage or repairs.

Would benefit from a clean as a bit dirty around lugs and case back.

Later leather strap.
