LOT 1069

An Omega Seamaster 120 stainless steel gentleman's bracelet wristwatch, circa 1967, the signed jewelled 613 caliber movement numbered '25101261', the signed black dial with silvered baton hour markers and date aperture, the case with black bezel, the signed case back interior numbered '136.027', the tapered link bracelet with foldover clasp, case diameter 3.7cm (missing winding button).

Estimate: £400 - £600

Condition Report

1069. The watch is generally a bit tired and worn. Scratches and wear to case, bezel, bracelet and crystal/glass. Glass also cracked from 9 o'clock to 12 o'clock. Missing winding crown so do not know if it runs or adjusts. Watch is dirty so would benefit from a clean. Bracelet a little loose but ok, and clasp in working order.
