Condition Report

1004. The watch winds and adjusts smoothly from the crown, date rolls over as it should and the watch is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch.

There is a small brown spot mark just to the left of the date window, this is on the dial. Otherwise dial is generally good.

Typical light surface scratches and wear to case and crystal.

Date on service paperwork receipt is 15/07/2021.
