

Wristwatches and Pocket Watches / Thu, 28th September 2023 / Lot 1037

LOT 1037

Four gentlemen's bracelet wristwatches, comprising a Sekonda chronograph wristwatch with two subsidiary dials, centre stop seconds, tachymeter and two side set buttons to the band, case diameter 3.5cm, a steel Seiko Kinetic, the signed black dial with date aperture at 4 o'clock and centre seconds, case diameter 3.8cm, a gilt metal fronted and steel backed Seiko Kinetic and a Citizen Automatic steel and gilt metal bracelet wristwatch.

Estimate: £60 - £80

Condition Report

1037. PLEASE NOTE, this condition report only covers one item in the Lot - if you require information on any of the other pieces, please request this.

Sekonda - watch winds and adjusts smoothly from the crown. Chrono feature works as it should with second hand returning to vertical. Typical light surface scratches to case, bracelet and crystal/glass, but no cracks. Dial in generally good clean order.

The case back has not been opened.
